- Add emails to existing tasks: Add an email to an existing task as a comment so your teammates have the info and context they need to do their work.. If any of your Kindle books are DRM'd (i e , have software protections that mean they will only open in Kindle), use.. With this integration you can:
 - Turn emails into tasks: Create tasks for action items by clicking Create Task in the Outlook top bar..
 - Lightroom presets free download for mac One of my favourite apps is Kindle for Mac, but if you're doing any kind of research or study, the fact that you can only have one book open at a time can be a serious impediment to your workflow..
