'We understand why this is quite disappointing for players: after the Resistance franchise, Insomniac Games revealed it was going to work on multi-platform titles and not PlayStation exclusive anymore.. The action is set in the city of New York, recreated with great attention to Insomniac Games has detailed the reasons why Spider-Man is going to be a PlayStation 4 exclusive game when it releases next year.. Spider-Man is a Marvel property We don't control that Sony doesn't do multiplatform games.. Both the IP, which haven't been so successful in terms of sales, are now in the hands of Insomniac Games and will have follow up only should someone fund them.. As explained by IG's official Twitter account, Spider-Man IP is now completely in the hands of Marvel, which has handed it out to Sony in order to establish a new deal in gaming.. Sony, that works exclusively on its own platforms, has decided to assign the game(s) to Insomniac Games.. Pre-order you SpiderMan PS4 copy now from AMAZON @NitroHype @Gamer1Mack We can't change that.. Spider-Man hasn't gotten its Arkham Asylum yet By that, I mean I don't believe our friendly neighbourhood webslinger has been realized to the level that Batman was in Rocksteady's Arkham series. 0041d406d9 [Micro Hydro Power Plant Design](#)
